Vol. XXVIII No. 8 | St. Stanislaus College, Bay St. Louis, Miss. | January 29, 1960

Show Business Through The Years Theme For Talent Show, March 23

Rehearsing the opening act of the 1960 talent show are (standing, left to right): Andy Wimberly, Lance Mora, Henry Diez, Gordon Frat, Luis Ingles, George Brown, (Kneeling) Steve Butaud, Carlos Lam, Roger Brinkman, Bobby Lobrano, Ronnie Artigues, Colden Jones.

Comedians, singers, dance acts, short skits, record pantomines, and any other talent are in demand as auditions and practices get underway for the annual talent show slated for March 23.

Talent that will make up the show, which will have as its theme Show Business Through the Past 50 Years, will be drawn from the student bodies of St. Stanislaus and St. Joseph's Academy, under the supervision and direction of Brothers Jean, Roger, and Celestine.

Entry blanks to audition the various acts to be selected for the show were distributed yesterday. The Brothers extended an invitation to all the student body to contribute to the success of the show.

"We invite all to audition for the show. Volunteer, let us hear you, allow us to judge if we can work your act into the show. Don't shrink away! This is your big chance to display your hidden talents."

Practices are scheduled from 2:30 to 3:00 in the afternoon, and from 7:00 to 7:30 in the evenings, every school day.

Those who feel that they cannot contribute by acting are welcomed to volunteer to act as ushers, stage hands, scenery painters, etc.

SSC To Run Poll To Decide Who Will Represent School In Ideal Boy Contest

Early next month voting will take place to decide the ideal boy of S.S.C. who will represent the school in the Ideal Boy-Girl Project sponsored by Beverly Brown Productions.

Under new rules of the contest, each school may nominate one student and an alternate from the high school department. The alternate will represent the school in the event that the principal nominee, for any reason, vacates his position.

During the course of the project, the representatives of each school will vote for the ideal girl and boy. The finalists in each division will be honored as 1960's Ideal Boy and Ideal Girl.

S.S.C. will determine its criteria for selecting its representative. He will be chosen on the following points:

1. He must show qualities of leadership.
2. Is conscientious in his school work.
3. Is able to get along with faculty members and his fellow students.
4. Takes part in extracurricular activities.
5. Takes part in the social activities of the school.
6. Is always well groomed.

Beverly Brown Productions has also announced its annual Essay Contest. Although the school will not participate in this contest, individual students who wish to enter may do so. This Essay Contest is independent of the Ideal Boy Project.

The title for boys is "My Ideal Girl." All entries must be serious, brief, and original. Entries must be in by April 15th.

Anyone interested in taking part in this contest may contact one of the **Rock-A-Chaw** editors for further information.

Freshmen Class Elects Richard Chance President

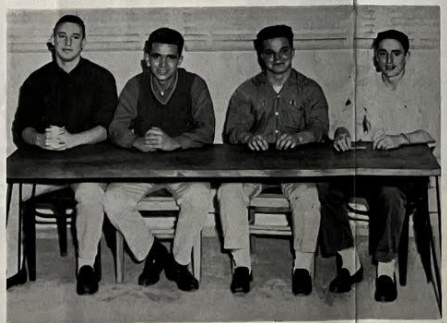
At a recent meeting held during the month, Richard Chance was elected President of the Freshmen Class.

The office of Vice-President was voted to Heraclio Atencio; Mike Mashburn received the post of Secretary; and Larry Fee was selected Treasurer.

The major function of the officers during the course of the year will be to represent the class at Confraternity meetings.

Prior to the elections, Freshman Class 9A was represented at the above meetings by Heraclio Atencio, and 9B by Richard Chance.

A newcomer to S.S.C., the President of the Freshmen Class attended Istrouma Junior High in Baton Rouge last year.



Newly elected officers of the freshmen class are (left to right): Larry Fee, Heraclio Atencio, Richard Chance, Mike Mashburn.

Journalism Class Added To School Curriculum

At the semester a Course in Journalism was added to the school curriculum. Under the guidance of Brother Celestine, the class was organized to acquaint aspiring writers with the principles of journalism, the art of newspaper technique, and free lance writing.

Offered to a select number of students, the class was open to members of the Rock-A-Chaw staff and to those interested in writing for the school paper.

Band Clinics Scheduled; Hill, Le Blanc Take Honors

George Hill, Peter Giacona, and Albert Le Blanc have entered applications for auditions for the Lions' All State Band, which will travel to the Lions' international Convention at Chicago this summer. Auditions will take place at the regional center on February 13th.

Albert and George, together with Kenneth Pepperdene, David Bishop, and Peter Giacona will also attend the Clinic at Pearl River Junior College, Poplarville, Mississippi, which will take place on the 12th and 13th of next month.

A second clinic scheduled for the same days will take place at Gulfport, Mississippi. Albert Brignac, Leonard Bourdin, and Sammy Cuevas, who had attended preliminary auditions at Gulfport on January 20th, will participate at this clinic.

During the latter part of December, Albert LeBlanc and George Hill attended the State Band Clinic at Clarksdale, Mississippi. At this gathering, George rated second chair Alto Saxophone in the Grey Band, highest of the three bands formed at the clinic. Albert placed third chair Euphonium in the same band.

State clinic is composed of three concert bands made up of two or three of the most talented students of each of the high school bands of the state.

At this clinic, contestants audition to determine the band in which they will play, and their position in that band.

Students Make Yearly Triduum

A triduum will take place next week to advance the cause for the glorification of Brother Polycarp, first Superior General of the Brothers of the Sacred Heart, and Second Founder of the Institue.

Once a year in the schools of the Brothers of the Sacred Heart, Masses, prayers, and good works are offered on three days preceeding the First Friday of February, particularly, for the intention of furthering the cause of his canonization.

On January 9, 1859, at the age of 57, Brother Polycarp died, after having guided the Institute through its formative years.

In 1925 measures were taken to promote the cause of his canonization. His cause is, at present, before the court in Rome.

Confraternity Members Take Part In Province Wide Essay Contest

Contestants entering the essay contest are (left to right): Heraclio Atencio, Jeffrey Hemstreet, Viard Vidrine, Richard Kawas.

Four members of the Sacred Heart Confraternity have submitted papers in the province-wide Essay Contest conducted by Brother Alton, S. C., coordinator of the Confraternity in the schools of the Brothers.

Two entries permitted from each division of the Confraternity, Jeffrey Hemstreet and Richard Kawas represented the Senior Division. Heraclio Atencio and Vi Vidrine have submitted papers in the Junior Division.

According to the rules of the contest awards will be given to the two best papers in each division. The best essay will be published in the Confraternity bulletin together with a picture and brief biographical sketch of the author.

Jeffrey and Vi wrote on the theme: "It would be better to be instrumental in saving one soul than to find a cure for cancer.

Heraclio and Richard chose to write on the topic: I should rather face any trial or affliction and even death rather than commit mortal sin.

Annual Meets Deadline; Final Copy Due April

"With our second deadline met, the final copy will be completed ten days in advance of the previously determined deadline, March 1st," commented Brother Jean, Faculty Moderator of the 1960 White Cap.

This year's book welcomes more informal layouts with a larger variety of pictures and write-ups. The cover will be embossed in white and royal blue.

The inside covers will be in color depicting a scene of the sun setting Some of the more important pages will be in blue duo-tone.

Sophomore Class President Voted Student Of The Month

Donald Smith, Sophomore, has been selected as this month's outstanding student. Energy, initiative, and leadership are characteristics which Donald shows in all his activities.

Donald Smith

President of the Junior Confraternity of the Sacred Heart, he is also President of the Sophomore Class.

In addition to devoting himself to his school work, Donald is co-editor of the Confraternity bulletin **Confraternity Notes**; a regular contributor to the **Rock-A-Chaw** through his column, Around the Campus; and is lay-out artist on the yearbook staff.

During football season, as cheerleader, Donald helped back the team on the gridiron.

This year, as last year, he is lending his support to help make the talent show a success.

A boarder here at S.S.C. for two and a half years, Donald early showed his interest in school activities. He was President of the Freshmen Class, Acted as class representative at Confraternity meetings and was a reporter for the school paper.

He filled the post of right halfback on the Junior Football team, was a member of the Track team, and was captain of his intra-mural basketball team.

Boating and skiing occupy Donald's leisure time, and his attendance at school socials indicates his great liking for dancing.

Donald is the son of Mr. and Mrs. Emmett A. Smith of New Orleans.

On The Downbeat

Band Combo Enlivens Team, Spectator Spirits

The Basketball band was off to a spirited start as the Rock-A-Chaw cagers played Notre Dame of Biloxi during the month. The Combo made up of George Hill, Peter Giacona, Martin Szuch, Richard Kawas, Adrian Lee, and led by Albert LeBlanc has taken the name of the Band Hall Janitors. The Combo enlivens the games by their masterful playing during the game and intermissions.

Congratulations are extended to George Hill and Albert LeBlanc on

Alumni Notes

David Treutel '53 and his wife, Karen, are the proud parents of twin boys who were born in the early part of January.

* * *

Our condolences are offered to Michael F. Schexnayder '12 and to his brother Walter '12 whose mother died recently. And our condolences also to Giles '36, Arthur '40, and Ignatius '41 Gianelloni on the death of their Aunt on January 7.

* * *

Leo Heinen '29 a former football and basketball star at S.S.C. died at his home in Eunice, La. during the latter part of December.

* * *

A meeting of the Executive Committee was called by the President, Mr. Edmund Brignac, Jr. This meeting was held on January 24. Luncheon was served in the Brothers' dining room. Plans for the mid-winter banquet were made at this meeting.

* * *

Edward Schofield '52 paid a brief visit to the campus on January 10 and reported he is doing well in the Export-Import Business in New Orleans.

* * *

Grant Gearhead '52 is in the Purchasing Department of the Shell Oil Co. in New Orleans.

* * *

Alden Mauffray '24; and Warren Carver '29 were elected officers of the Hancock County Chamber of Commerce.

(Continued on page 4)

Presidential Peace Tour Covers Capitals Of Free-World Nations

In the latter part of December President Eisenhower embarked on a world wide tour in the cause of peace. The eleven nations scheduled to receive the President were Italy, the Vatican, Greece, Iran, Pakistan, Afganistan, Turkey, India, Spain, Morrocco, and France.

The reception given to Mr. Eisenhower abroad was one of great enthusiasm. In Karachi, Pakistan, alone, the President was received by almost a million people. In New Delhi, three times as many people greeted the American Chief-of-Staff as received the Soviet Premier.

It is to be noted that not since the Presidency of Woodrow Wilson has an American Chief-of-State visited the Vatican in an official capacity.

In Paris the President met to confer with the heads of France, Great Britain, and West Germany on summit talks. After leaving Casablanca, the President and his party flew home to Washington, ending a 22,000 mile trip for World Peace and Good Will.

Mr. Eisenhower's primary purpose in making this trip was to assure the free nations of the world that no matter what they must face, the United States will back them up in their efforts to secure that peace which our country now enjoys.

Entre los latinos

Paso Navidad; Hay Lloros y Gritos Pero La Consolacion es Carnaval

Por Ricardo Matamoros

Y con la Navidad una cosa del pasado, ya hay varios haciendo sus planes para la proxima escapada. Unos ya mandaron a hacer sus reservaciones para asegurarse de que haya lugar.

Despues de Navidad, cada uno se tenia un cuento nuevo. "Que hicistes tu?" "Yo fui a dormir con mis vacas." "Y tu?" "Yo fui a ver a Marta." Cada uno nos conto de su nochebuena.

Ricardo Pastor se nos volvio todo un vaquerito. Se trajo una sus botitas para ensenarnos que se ha vuelto todo un "Roy Rogers." Solo le faltan las pistolas y "Trigger."

Juan Solis, como siempre, llego tarde y por su puesto nunca le faltan las excusas, esta vez dice que tenia que vender periodicos Guatemaltecos y que es mucha tristeza tener que partir con sus vacas.

Por aqui hay gente que creen en vacaciones largas y si no las consiguen de una manera las consiguen de otra. Me refiero al de la nariz larga quien no tardo de llegar de Navidad cuando decidio levantar vuelo de nuevo.

Rafael Ortiz pasa escribiendo cartas a Guatemala y no son los lunes. Lo vemos todo los dias en la libreria buscando libros el nombre "Rebecca' y lo vemos lamentando porque ya se estan acabando.

Con el gran rumor que el mundo se iba a acabar el siete de Enero, varios de nuetros companeros se alistaron para lo que podia pasar: Murillo corrio a ponerle un telegrama a su querida Marta, Pastor y Diez se besaron "Adios", Alvarez fue a comer su ultima comida, Juan Solis se despidio de sus vacas, Ingles se reconcilio con su novia, Herrera no hizo su tarea de algebra para poderse reir de Brother Godfrey, pobre, el chiste fue en el. Cuantos punto perdiste, Cachiro?

Hasta la proxima!. Estudien duro!

Around the Campus

with Donald Smith

Senior graduation pictures were recently received and were distributed by Brother Phillip.

* * *

On January 8, Brother Jean and Brother Celestine attended a Convention for Confraternity Moderators at Cor Jesu in New Orleans. At the meeting plans were made for the Students' Confraternity Convention to be held some time in April.

Martin Szuch recently installed a stereo sound system in the band hall.

Brother Marius Organizes Boy Savior Youth Movement Groups Among Grammar Grades

Brother Marius aids Father Kevin Reed in inducting students into local Chapter of Boy Savior Movement.

Shortly before the Christmas Holidays some thirty-four boys from rooms 8A and 8B were received into the Boy Savior Regiment Club. The ceremony was held in the S.S.C. Chapel where Father Reed, of Our Lady of the Gulf Church, delivered a sermon and blessed the buttons and membership cards. Several grammar graders attended the ceremony.

This Club is composed of three divisions: the Boy Savior Club for grades 1-3, the Boy Savior Cadets for grades 4-6, and the Boy Savior Regiment for grades 7-8, which is the third and highest order of Boy Savior Youth Club of America. Founded in 1884 by Rev. William H. Walsh, S.J., the Club is presently under the guidance of Rev. Anthony Russo-Alesi, S.J., National Director of the movement.

The Boy Savior Youth Movement is a crusade for youth (both boys and girls) whose object is to combat juvenile delinquency and to make themselves better followers of Christ, their Captain. It also prepares the members for more active participation in sodalities, the Confraternity of the Sacred Heart and other parish and school organizations.

In theory this devotion consists of not only strengthening the conviction in children that the Boy Savior is God, but that He grew also a real Boy. In practice the Devotion consists in performing acts of obedience, acts of reverence, and acts of kindness in imitation of the Boy Savior.

Brother Marius, moderator of the Club at S.S.C., is now preparing the fifth grade for membership into the Boy Savior Cadets. He hopes to have as many classes as possible of the elementary grades in the movement.

February Mission Intention Reveals Urgent Need Of The Church In China

Pope John XXIII in his mission intention for February has pointed out the need of the Church in China.

Even before the rise of the Communist government within this nation, which contains a quarter of the world's population, the maintenance of missions was difficult. Now in an atmosphere of materialism, godlessness, and persecution, it seems a remote possibility that the hierachy of the Church will survive.

Probably the most striking example of the harshness of the presecution presently being waked, is the fact that previously there was 6,042 priests and 4,446 Catholic schools, convents and universities in China. Today there are no schools and few religious—the physical organization has been almost completely destroyed.

It is almost impossible, therefore, for the Church to assert its rightful position as leader and guide of the faithful. Priests are unable to administer the sacraments, or practice the other duties of their priestly office.

At a loss to be able to help these unfortunate people, physically, we can readily see the great need they have of our prayer to support, encourage, and inspire them in their time of trial.

The Rock-A-Chaw Varsity—(Kneeling from left to right): John Larson, Gary Blaize, Ronnie Artigues, E. J. Babin, Carlos Lam, Luis Ingles. (Standing): Finley Hewes, Pat Mashburn, Andy Wimberly, Lars Phillips, Terry Ladner, Louie Genard.

Cage Season In Full Swing; Opener Dropped To Crusaders

The Rock-A-Chaw cagers kicked off their Basket ball season on December 8, with a 82-44 loss to the Aloysius Crusaders of New Orleans.

The Crusaders jumped off to a quick first quarter lead, scoring more than three times as many points as S.S.C. in that quarter.

The Rocks greatly improved in the second and third quarters, but the scores were not close enough to overtake the Crusaders in the final quarter of the game.

Score by Quarters:

S. S. C.	8	11	16	9=44
Aloy.	26	17	18	21=82

High point man for S.S.C. during the game was Ronnie Artigues with 18. Louis Genard hit for 8, and Terry Ladner, for 7.

On the following night, the Rock Cagers traveled to the Gulfport Invitation Tournament to sneak a 47-46 victory over Picayune in an exciting overtime period.

At the end of the first quarter, and at the half, Picayune led by 3 points, but, S.S.C. closed the gap and the fourth quarter ended seconds after Charles Lam sunk the tying two points.

In the overtime period Picayune scored a basket, and Ronnie Artigues in driving in for a crip shot shot was fouled, the basket was recorded, and he scored the free shot which was the deciding point in the Rocks' first victory.

Score by Quarters:

S. S. C.	11	13	10	9	3=47
Pic.	14	13	9	8	2=46

Artigues was high scorer again with 20 points. Lam tallied 9, and Genard 8.

The Commodores of Gulfport upset the plans for a tournament trophy for the S.S.C. quintet on Dec. 11, with a decisive 65-44 victory.

Aimsworth and Johnson of Gulfport scoring 18 and 17 points respectively seriously handicapped the Rock-A-Chaws.

E. J. Babin, who played in only three quarter previously in the season, led the Rocks with 15 points. Ronnie Artigues scored 8, Gary Blaize hit for 7, and Andy "Stonewall" Wimberly scored 6.

On December 13th, the Rock-A-Chaw cagers met Jesuit in the S.S.C. gym and were outclassed 70-45.

The Blue Jays were consistent throughout the game with a 6 point per man average, and a team average of 75% from the foul line.

Artigues scored 18 points during the game, and E. J. Babin, 12.

Score by Quarters:

S. S. C.	8	13	12	12=45
Jesuit	22	18	17	13=70

The Rocks met the Aloysius Crusaders in a return match December 15, and suffered a second loss 65-28.

Charlie Lam led the Rocks in scoring against the Crusaders with 11 points; E. J. Babin followed with 8.

Score by Quarters:

S. S. C.	13	3	3	10=28
Aloysius	25	14	16	10=65

The Rocks lost their first game of the new year 63-31 to Redemptorist in New Orleans on the 7th. Charlie Lam hit for 8 points, and Luis Ingles scored 6.

The Rocks played Jesuit on January 10th in a return match and lost 64-26. The Blue Jays were consistent from quarter to quarter scoring 16, 15, 21, and 12. By quarters, S.S.C. tallied 3, 9, 12, 2.

Louis Genard and Ronnie Artigues sparked the S.S.C. players. Louis scored 13 points, Artigues 6.

S.S.C. revived their winning form on January 12th, against Notre Dame of Biloxi, here defeating them 58-38.

The first quarter ended with the Rebels ahead, but, the Rock-A-Chaws quickly remedied the situation by taking the lead before halftime.

In the third quarter the Rocks widened their winning margin. And retained a comfortable lead as the game ended.

Ronnie Artigues was high scorer with 19 points, Terry Ladner tallied 15, Gary Blaize scored 14 points, ten of these scored in the fourth quarter.

Score by Quarters:

S. S. C.	13	12	12	21=58
N. D.	16	5	6	11=38

Boarders Compete; Basketball, Soccer Titles At Stake

Soccer and basketball leagues occupy the free time of the boarders of the Big Study Hall.

The four teams participating in the league, play a thirty minute basketball game and a thirty minute soccer game daily. A win in either game gives the victor 3 points. A tie give both teams one point.

After two weeks of play, Donald Buendia's team leads with 19 points. Bill Boagey's has scored 10, Paul Blaum is third with 9, and "Frenchie" De Jaham has 7.

Buenida's winning team includes Raoul Matamoros, Battistella, Riley, Ricks, Bodenheimer, De Jean, Paris Brown, Morse, More, Craise, and Saucier.

The League will continue until the Mardi Gras Holidays.

Middle Study Hall

The Middle Study Hall has completed its league of basketball and soccer. There were four teams in the league.

The ten men teams were headed by Harry Esquerre, Mike Mashburn, John Saravanja, and Tommy Greco.

Sport-Light

Junior Varsity Bows to 4 AAA Teams

The Junior Team under the tutelage of Brother Roger has lost only four of its games by overwhelming scores.

In their first two games, the Junior Rocks lost to Aloysius and Jesuit. On December 15, in a return match, the Juniors held the Aloysius Crusaders in check until the final minutes of the fourth quarter when the Crusaders exhibited a last minute rally for five points.

Later, on January 10, the Rocks met Jesuit again and slowed the straight shooting nineteen man squad to only a two point lead at the end of the third quarter. The fourth quarter was the worst for the Rocks as the Jays went on to win 38-31.

In the Notre Dame of Biloxi game, the fourth quarter was also the Junior Team's poorest. The Rebels scored nine more points than did the Rocks, but earlier scoring by the Rocks gave them a comfortable lead. S.S.C. defeated Notre Dame 36-26.

Johnny Chevis, Waldo Otis, and Malvin Wilson were the mainstays of the Rocks during the game. Johnny scored 15 points; Waldo hit for 10; and Wilson sunk four field goals.

Holy Cross overpowered the Junior team January 14 by 12 points. It took too long for the Rocks to warm up. They finally started hitting, but it was too late in the game. S.S.C. was defeated 27-39.

Going into the fourth quarter against McGill on January 15, the Rocks were trailing by 6 points. Being the 'clutch" players that they are, the Junior cagers pulled ahead of the Yellowjackets to lead by one point as the game drew to a close.

With 8 seconds to play, a jump off was taken by McGill, Yellowjacket J. Haig hit on a quick jump shot and the Rocks were defeated by one point. Final Score 38-37.

S.S.C. Junior Varsity—(Kneeling from left to right): Colden Jones, Bobby Lobrano, Nolan Ladner, Danny Baudoin, Waldo Otis (Standing): Waldo Caceres, John Chevis, Heraclio Atencio, Oscar Herrera, Larry Fee.

Teenagers Less Prejudiced Than Average Adult

American teen-agers are apparently less prejudiced than adults about the religious affiliations of possible presidential candidates. This is indicated by a comparison of results between a poll of students conducted by the Institute of Student Opinion last November and December, and a Gallop poll of adults conducted in the fall of 1958, the results of the Institute of Student Opinion survey of 10,763 secondary school students in 48 states were announced by **Scholastic Magazines,** which sponsors I.S.C.

Some 12.8 per cent of all students said they would oppose the election of a Catholic for President; 16.7 per cent would oppose the election of a Jew; and 38.5 per cent would oppose the election of a man who was "not a member of any established religious faith." Three per cent of the students would oppose the election of a Protestant.

Generally speaking, boys proved more prejudiced on religious grounds than girls. The older the boy, the higher the prejudice. The younger the girl, the lower the prejudice.

Among senior high school boys, for example, 1.3 per cent opposed the election of a Protestant; 14.9 per cent the election of a Catholic; 19.1 per cent the election of a Jew; and 37.8 per cent the election of a "non-affiliated" candidate.

Among junior high school girls, 1.9 per cent opposed a Protestant; 9.5 per cent a Catholic; 13.0 per cent a Jew; and 22.5 per cent a "non-affiliated" candidate.

Technical consultant in preparing and conducting survey for the Institute of Student Opinion is Dr. Harry Deane Wolfe, Professor of Marketing, University of Wisconsin School of Commerce.

Brother Marius explains part of the SRA reading laboratory to Paul Pfister while John Vallee and Chip Ogden examine different phases of the new course.

Science Research Associates Reading Laboratory Installed

Room 8A now has the renowned S.R.A. (Science Research Association) reading Laboratory functioning in all its aspects.

This reading class is designed to increase the reading and comprehension ability of the students.

Upon entering the course, each pupil takes a standardized test—from the S.R.A.— in order to determine his reading level. From these results, Brother ascertains what materials to administer to each pupil.

Almost all of the program is one of individual effort. Each student advances at his own rate.

Rate builders are the only time-limited elements of the program. These are given in order to increase the reading rate and mental activity in recalling what was read.

Comprehension builders help the pupils to grasp important details from a speaker, and to know what to look for when someone is speaking.

Each student records his efforts in a personal record book. In so doing, he charts his progress from day to day.

When a student continually achieves a high average in all aspects of the laboratory, he moves up to the next reading level. The S.R.A. Laboratory span is from third grade to college level.

Band News

(Continued from page 2)

the excellent showing they made at the State Band Clinic at Clarksdale. (See page 1). Their years of practice have made them accomplished musicians. Albert has studied Euphonium for eight years; George has been studying Saxophone for five.

George, Albert, and Peter Giacona are planning to take part in the State Solo and Ensemble Contest which will take place late in March.

A word of thanks is extended to the Mothers of the band members and the other ladies who provided for the annual band Christmas party. Band members and their dates were served a banquet dinner, and later danced to soft music by candle light.

Baby, What you want me to do Picked Number One In Poll

In the second poll conducted among high school students at SSC, top vote was given **Baby What You Want me to Do,** by Jimmy Reed.

The runner up spot was given to **Fannie Mae,** by Buster Brown. These first two songs proved to be very popular with those who voted.

A sad ballad by Martin Denning, **Teen-angel,** placed third and the fourth spot goes to Dion and Belmont's **Where or When.**

Vic Wilder's latest, **My Love For You,** occupies the fifth spot with **Just a Little Bit** by Rosco Garden a shade behind in sixth place.

A most appropriate song for students after Six Weeks exams, It's **Time To Cry** by Paul Anka, climbed into seventh place followed by Little Anthony and the Imperials' newest, **Shimmy Shimmy Ko-Ko Bach.**

Time After Time by Frankie Ford and **Running Bear** round out this edition's ninth and tenth spots, respectively.

Lenten Collections Assist Missions

Organized for the purpose of helping to support foreign missions, the annual Mission Drive will be held during the Lenten Season this year.

Conducted throughout all the schools of the Brothers of the Sacred Heart, the proceeds of this drive are sent to the Provincial Council. This Council, composed of the Provincial and his assistants, distribute the funds among the various mission establishments as they think best.

In the past few years, funds from this drive have been used to help erect a novitiate and other buildings needed to train aspirants to the Brotherhood.

The missions of the New Orleans Province of the Brothers of the Sacred Heart are located in Tanganyika, Kenya, and Uganda territories of Africa.

At the present time there are three professed native Brothers on the Missions.

Alumni Notes

(Continued from page 2)

R. G. "Manny" Hubbard '27 was elected President of the Hancock County Board of Supervisors. Manny is now serving his third term as a Hancock County Supervisor.

• •

Michael Haas '51 was elected President of the Hancock County Junior Chamber of Commerce. Also elected as members of the board are C. J. Piazza '47 and John Piazza '49.

• •

During the Christmas holidays, a number of Alumni paid a visit to the Campus. Some of these visitors were: Robert Homes '59, who was home on vacation from Notre Dame University; Douglas Black '59, Sidney Doussan '56, George Ferry '56, A. L. Gianelloni '40, who came from Cuba to spend Christmas with his Family in Bay St. Louis.

Mr. Jaime Pons '52, who was married to Miss Guadalupe Diaz on January 3, 1960 in San Luis Potosi, Mexico, visited the school and expressed his surprise at the many changes around the campus.

Objectives Set By Foundation

Dr. Jonas E. Salk is now recognized around the world as the man responsible for the Salk vaccine. He has become one of medicine's great figures and his name is a household word.

Yet 18 years ago, Jonas E. Salk was just another name on an application blank requesting fellowship assistance to study viruses. An award of $2,100 was granted the young scientist.

The $2,100 invested in 1942 in Jonas E. Salk was an investment of the American people through the March of Dimes. Since 1938 more than 8,000 other young Americans have been aided in training through March of Dimes fellowships and scholarships.

In 1959, the National Foundation started two new programs to help the Salks of tomorrow. Through a new fellowship program it will give resident and practicing physicians opportunities for advanced training in rheumatology or in the treatment of patients suffering from birth defects of the central nervous system, both part of the National Foundation's new program.

Through a new multi-million dollar Health Scholarship plan it will help thousands of young Americans during the coming years to prepare for careers in medicine, nursing, physical and occupational therapy and medical social work.
